

I've chosen the songs Prologue, Skid Row, Feed Me, Suppertime, and Don't Feed the Plants.

My favorite is Skid Row because it's catchy and fun to sing.

The challenging part at the end of Feed Me, where we had to hold for 16 and 1/4 beats, really stood out to me.

It's interesting to note that Feed Me is performed by Audrey 2.

I can picture myself performing Skid Row because I really enjoy it.
